Our Services

About Encik Beku

Encik Beku is an established service company in Malaysia, specializing in air conditioning services with a strong presence across Kuala Lumpur / Shah Alam (HQ), Negeri Sembilan, Johor Bahru, and Penang. The company provides complete aircond solutions, including installation, repair, maintenance, and supply for residential and commercial clients.

In addition to air conditioning, Encik Beku also offers various technical and renovation services under dedicated sub-brands, creating a convenient one-stop solution for homes and businesses. Supported by dedicated service websites and digital marketing, Encik Beku continues to grow as a fast, reliable, and affordable service provider in Malaysia.

Vision & Mission

Vision

To become a leading one-stop air conditioning and technical service provider in Malaysia, recognized for fast response, reliable service, and practical solutions for homes and businesses.

Mission

To deliver affordable and high-quality services supported by skilled workmanship, professional service standards, and a smooth customer experience across every project and touchpoint.

Our Locations

- Shah Alam, Selangor
- Sepang, Selangor
- Georgetown, Penang
- Butterworth, Penang
- Kampung Dua, Melaka
- Johor Bharu, Johor Darul Ta'zim

Encik Beku operates across multiple regions in Malaysia with 6 branches, including Kuala Lumpur / Shah Alam (HQ), Negeri Sembilan, Johor Bahru, Penang, and Melaka. This wide coverage allows the company to deliver faster and more efficient services to customers across different locations.
